~Maddy Kurschat was to have gotten a PICC line put in last Thursday. Prayers that it heals well and helps her with her POTS infusions.
~Phyllis Osborn (cousin of Vicki Phillips and Ed Martin) had plans for radioactive iodine infusions for her thyroid cancer last week.
~Sandy Hudson (sister-in-law of Heather Davis) needs prayers for her foot to heal from a surgery she had in the summer. Her husband also recently passed away. She has a lot of other things she's been trying to work through with what all has been happening.
~Sue Wells had cataract surgery last Tuesday and it went well. Prayers for things to heal fully.
~Danielle (aunt of Bill Thena's co-worker Mackenzie) is on a ventilator and has pneumonia. She's been going through cancer treatments. Her Dr's are not hopeful that she'll recover if they can't get her off the ventilator.
