

John Stringer BIO

John Stringer is a life teacher, speaker, Billboard-charting singer-songwriter, healer, and award-winning international bestselling author with a passion for music, community, and limitless love and light. He teaches others how to access genius through a spiritual path, creative path and/or intuitive path. A graduate of Morehouse College, he currently serves as Founder of **PolyPlat Records & Conscioussongwriting.com**, Partner at [Healing Arts Management](#) & [ConsciousSongwritingRetreat.com](#), Founder of [ConsciousSongwriting.com](#), Co-host of [Awakened Pillow Talk](#) podcast, host of [The Alignment Podcast](#), Co-Founder of [MasterMomentMakers.com](#), and he served as a **True Collaboration**SM leader at [BandingPeopleTogether.com](#) (clients include leaders at Netflix, Focus Brands, Home Depot, Cisco, Microsoft, NASA, ESPN, SunTrust and many more).

His music and message are a result of his surrender to Source / Love through his spiritual journey. As he realizes more of what Love / God / Spirit is, exploring the divine mystery Yeshua (aka Jesus) illuminated, he travels to share his experiences through music and talks.

John has written and recorded several singles and albums over the years, including a co-written Billboard Top 10 hit with his former rock band, State of Man. He has spoken and performed for events and venues throughout the world, including international tours for the U.S. Armed Forces, and his music has been featured on major network television. He has also appeared in national print ads found in magazines like Rolling Stone, VIBE, SPIN, and Vanity Fair.

He now shares a message of alignment with Source / God through songs featured on his debut solo album, "Limitless Love & Light" (featuring the Posi Award-nominated songs "That's Love," "You Are Welcome Here," and the spoken word offering, "Power of Love & #blacklivesmatter"), his follow up album, "Moment to Moment (Live)," and through coaching and speaking, sharing inspired teachings with clients and audiences, some of which can be found in his books, ***The Abundance Vibration: A Guide to Alignment***, and his most recent award-winning, international bestselling book, ***the INside effects: How the Body Heals Itself, Volume 2***. John is also a featured New Thought Leader in the new **TV Series "Navigating the Clickety Clack: How to Live a Peace-Filled Life in a Seemingly Toxic World"** alongside John Demartini, Joe Vitale & Marie Diamond all from the hit movie and NY Times bestseller: *The Secret*.
