

REDEPTIVE GIFTS QUESTIONNAIRE

GIFTS OF THE FATHER

CROSSROADS COMMUNITY CHURCH

Instructions

This questionnaire is a tool to help identify your dominant redemptive gift as described in Romans 12:6–8. The accuracy of your results depends on your openness and honesty. This is not a test with right or wrong answers but a resource for reflection and discussion.

How to Complete

- Read each statement carefully and consider how it reflects your usual behavior.
- If a statement feels unclear, give it a lower score.
- Mark your answers honestly, focusing on your natural tendencies rather than learned behavior.
- For **Part One** scoring, you'll notice three is not an option, this is intentional. This keeps anyone who is on the fence about a particular answer to pick a side.
- For **Part Two** scoring, this one is a little more in depth with more questions, the difference being you can select the number three.
- There are scoring columns at the end of each Part. You can add your answers vertically and put the total in the corresponding box next to each letter. Doing the same for both **Part One** and **Part Two**. There is also a graph at the end to add a visual component.

How to Score:

- **1** = Never true for you
 - **2** = Sometimes true
 - **4** = Mostly true
 - **5** = Always true

Part 2

There are no right or wrong answers in this section. For each question, ask yourself: “How true is this of me?” Your initial response will often be the most accurate.

Guidelines

- Answer based on your natural tendencies, not on what you aspire to be or think you should be.
- Distinguish between learned behaviors and your innate way of thinking. Try not to let current responsibilities overly influence your answers.
- Be honest. This is not a test, and your results will be more meaningful with truthful responses.
- If you don’t understand a question, it may indicate you are not motivated to think that way—give yourself a low score.

How to Score

- Use the scale below to assign a score for each statement:
 - 0 = Never true for you
 - 1 = Rarely true
 - 2 = Sometimes true
 - 3 = Often true
 - 4 = Mostly true
