Volunteer Instructions**

Thank you for volunteering to be involved in serving people who are at Interfaith Turk Center (formerly Have House). The Turk Center is an intermediate housing option for people discharged from the hospital who are un-housed.

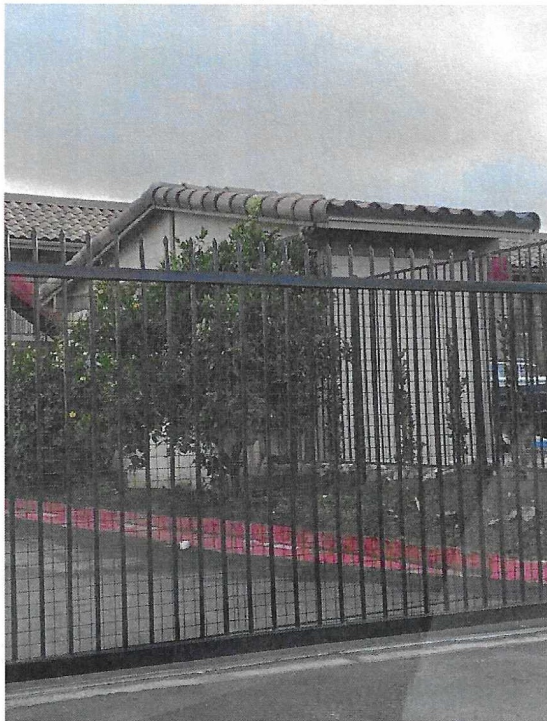

- The address for Turk Center is 550 W. Washington St., Escondido, CA 92025.
- Please plan on arriving at 4:20 pm. You will be through by 6:15 pm
- Wear a cap and tie back your hair (if long).
- You do not need to wear a mask, but you can do so if you prefer.
- You must wear gloves when inside.
- Wear a baseball cap or a hair net.
- **You will be helping serve food and drink and then leading a game/activity.**
 - If you choose, you can play Bingo (Beth has a set which she can loan you) OR
 - If you choose to play Bingo, it is helpful to bring some small token for the winners of the game.
 - I would recommend playing 3 games of Bingo.
 - You can lead another game of your choice that is good for a group of people OR
 - Offer a craft activity (theme based for the season).
 - **Your ideas for a craft are welcome but if you prefer, Beth will obtain the materials and plan a craft.**
 - **Please give Beth a few weeks to help plan a craft activity if needed.**
- You will be directed by the servers and staff on how you can best help.
- **Around 5 pm, notify the residents in the dining room that you will be coordinating an activity at 5:15 pm.**
- 3-4 volunteers are needed but the serving and game can be done with two energetic volunteers!
- If you have any questions ahead of time, please contact Beth Sullivan at beth@pa3.com or text me at 847-254-0212.
