Travel size personal hygiene items, single serve beverages, pop-top canned food items.

## Monthly Teacher Tip

**VPK:** Remember during the hustle and bustle that the best gift of all is time together. Merry Christmas! December is very busy, please be sure to read your weekly emails for important dates and information. Over break you can continue to practice writing, top to bottom and left to right.

**3s:** During your winter break work on letter and sound recognition. Recognizing the letters in their name will be helpful as they return in the New Year!

**2s:** With all the excitement surrounding Christmas, don't forget to discuss with your child the real reason for the season! The birth of our Savior, Jesus!

**1s:** Be sure to check and empty your child's folder each day! With so much time off ahead for the holidays, maintaining a nap and eating schedule really helps the little ones adjust when they return to school in the New Year!
