Have you journaled before?
 Maybe it will help with your
 daily reading.

H.E.A.R JOURNALING

H = HIGHLIGHT

E = EXPLAIN

A = APPLY

R = RESPOND

Pray before you begin. Ask the
 Holy Spirit to **HIGHLIGHT** a
 verse or thought, or even word
 in the chapter(s) you are
 reading that day.

Now, **EXPLAIN** what the
 chapter is saying. You do this by
 asking yourself: Why was this
 written? Who was it written
 too? Why did the Holy Spirit
 include this passage? What was
 the intention of this section of
 Scripture?

APPLY, how does this apply to
 you? Next write this out in your
 journal. How can this help me?
 What does this mean today?
 What would this application
 verse look like in my life? What
 is God saying to me?

And lastly, **RESPOND**.
 Obedience to Jesus is key. How
 will you respond to the
 scripture you read each day?
 Write a prayer out to the Lord
 of your response and ask Him
 for help in applying this reading
 to your life.
