2026 Prayer Guide

"Pray Continually"

1 Thessalonians 5:17

SHORT PRAYERS TO PRAY

Use one of these each day to help you
“pray without ceasing” this week.

1. Lord Jesus Christ, Son of God, Have Mercy on Me, A Sinner.
2. Lord, help.
3. Lord, make happen what needs to happen.
4. My God, I am all yours (Brother Lawrence).
5. Into your hands I commend my spirit
(Luke 23:46).
6. O Lord God, you know (Ezekiel 37:3).
7. Enlarge my heart, O God.
8. Thy Will Be Done.
9. As you know, as you will, have mercy.
10. Do what you love to do and what only you
can do.

Remember the goal of these short prayers is constant,
conscious awareness of the gift of God’s presence!

5 KINDS OF PRAYER TO USE DAILY

Adoration - Spend time thinking of who God is in Scripture and in your life. Center your thoughts on Him and speak out loud the truth of who He is.

Confession - Take a quiet moment before the Lord to ask Him to reveal sin in your life, especially sin that has become a pattern. Repent of your sin and receive the relief of His forgiveness and healing.

Thanksgiving - Reflect on some of the things you are thankful for, from Scripture and from your experience, and then bring them to God in thanksgiving!

Supplication - Bring your needs before the Lord, all of those that are heavy on your heart. Take time also to pray for others that God brings to mind.

Blessing - Ask for God's blessing and favour on the lives of others. Ask God to bring to mind specific Scriptures to pray over other people.

Prayer is communion and conversation with God. We wait, listen, and act.
