# Welcome to San Marcos Lutheran Church Children's Center!

San Marcos Lutheran Children's Center is a ministry of San Marcos Lutheran Church. We offer a morning preschool program for children ages 2-9 years (must turn 3 by December 31st of the current school year) through 5 years old in a loving Christian environment. Our school year starts in mid August and goes through mid June; we also offer 6 weeks of summer camp in June and July. Classes are arranged by age and are limited to 12 children per class. We believe that Kindergarten readiness includes both social and academic development. Each day the children enjoy both indoor and outdoor play and work experiences as they develop problem solving, self-help and independence skills. Our curriculum includes language, literature, math, science, Bible stories, motor skills, art, and music. We model and teach love and respect for ourselves and others and all of God's creation, and we encourage the children to be kind and to help their friends.

Call Ann Leong, Center Director during operating hours to set up a tour at 760-727-0326.

## Typical Preschool Schedule M-F

|             |                                                                       |
