# Guiding Vision and Principles

---

October 15th, 2024

**Church mission statement: *Serving Christ and Neighbor in the Heart of Winchester & Beyond***

## **Guiding Vision:**

As called by Christ to move beyond our comfort zones and take our spiritual gifts out into the world, and as a PC(USA) Matthew 25 congregation, we recognize the faith journey of each of us is enriched by our ministry and service to others in need in Winchester and beyond. Further, as a PC(USA) Creation Care congregation we affirm that our mission extends to the healing of all of God's creation.

## **Guiding Principles:**

- Continually seek God's direction for supporting FPC's mission involvement both near and far.
- Recognize that effective ministry goes beyond providing funding to include giving time, talents, and resources.
- Strive to employ good mission practices; i.e., practices that are collaborative and non-transactional, and where we can build relationships with partners.
- Nurture the faith journeys of our congregation by offering opportunities for mission outreach and growing disciples that include intergenerational activities for children and youth..
  - Make special efforts to develop inter-generational mission activities, including children and youth.
- Give special emphasis to opportunities for mission in the greater Winchester area.
- Recognize that ministry of presence is a legitimate mission outreach.
- Promote and share with the congregation our ministry as a Matthew 25 Congregation that advocates to reduce human suffering. This means a focus on the following three points:
  - building congregational vitality,
  - dismantling structural racism, and
  - eradicating systemic poverty.
- As an Earth Care Congregation, we promote and support good environmental stewardship, this includes reducing our carbon footprint.
- Support local peacemaking initiatives and promote the PC(USA) Peace & Global Witness annual special offering.
- Review these Guiding Principles at least annually and evaluate our suite of outreach projects at the beginning of each budget cycle.

THROUGH THESE PAGES, YOU WILL DISCOVER THE HEART  
AND IMPACT OF OUR COMMUNITY OUTREACH PROGRAMS,  
AS WE STRIVE TO MAKE A DIFFERENCE LOCALLY AND GLOBALLY.
