Prayer of Peace

There is One Life, One Presence, One Infinite Peace.

It is the Peace that has no opposite, the Peace
that is the very essence of Spirit.

This Peace lives in me, moves through me, and expresses as me now.

I recognize that this Peace is the truth of every being.

It dissolves fear, quiets confusion, and reveals
the calm order of the Divine.

In this awareness, every thought is guided, every word is blessed,
and every action is anchored in Love.

I rest in the certainty that Peace is here, Peace is now,

Peace is the very nature of Reality.

And as I know it for myself, I know it for all.

Gratefully, I release this word into the Law,
knowing it is already done.

And so it is.
