Finance Committee

The meeting was called to order by Tom Spitzfadden at 7:00 p.m. on October 14, 2025.

Present were Stephanie Arp, Nancy Chapman, Craig Foster, Karen Moore, Pam Paulsen, Kristine Olson and Pastor Kris Schondlemeyer. Kirk Christie was absent. Karen agree to take notes.

Minutes of the September meeting were approved.

Keeping in mind that we want the deficit for this year to be less than the 2024 deficit, we had a long discussion on how to manage additional income from three different sources. We have the availability to add \$15,000, \$50,000 and \$12,350 from different funds. Nancy and Craig will meet with Kristine to make a proposal at our November meeting.

Kristine reported on the September financials. The Birdies gift of \$37,191.50 was received in October and will be included in a separate line in the financials going forward

.
The insurance questionnaire was completed with Stephanie's help.

The Magnusson bequest status was reported by Tom. It was approved by Finance Committee and will be forwarded to Session for discussion and approval on October 20.

The Buildings and Grounds committee has requested that we pay half of the remaining balance for the gutter repair and we agreed that it will be paid. The chapel roof needs to be replaced.

Finance Committee agreed to approve the RFCE for \$42,000 plus contingency with a funding source of the building or capital maintenance reserve in the general fund

We need to work with New Covenant on possible changes to the new restricted funds spending guidelines.

Kristine reported that the Breeze update is not working as well as expected concerning yearly pledges. She and Tammy are working on this. The Quick books chart of accounts is continuing to be upgraded.

There was agreement that Kristine would address Giving Tuesday this at Session on Monday.

Our next meeting will be November 11 at 7:00 p.m.

The meeting was adjourned with prayer by Pam at 8:30 p.m.

Building, Grounds & Safety

Meeting date: November 10

Attendance: Darren Long, Pete Madden, Andy Edwards, Matt Kabel, Nathan Kabel, Dan Darland, Kris Schondelmeyer, Kristin Olson, Nancy Chapman

Old business discussed

1. Items upstairs were brought downstairs for donation to restore
2. Pipes across from choir room have been repaired by Crawford
3. Andy went through the metal chairs and removed damaged ones. Dan is going to bring in his dump trailer so they can be loaded and taken for scrap
4. Chapel roof repair will start in spring. Kristine said the check for down payment has already cleared
5. Dan setting up a time to meet with Darren to check voltage for motor to the bell tower and ceiling exhaust fans

New business discussed

1. The boiler maintenance contract has expired. The cost has remained the same and new contract has been signed
2. Snow removal company has been selected, but nothing has been signed. Darren taking care of this week
3. Boiler vs. Mini splits to heat front offices. The water boiler heating the front offices was thought to be leaking water and gas. It was turned off out of safety. The thoughts were to either replace the old boiler, a cost of \$6,576 or upgrade to mini splits, with a cost of approximately \$32,000. Matt looked at it and said there was no indication of water leaks (there was no water, and some of the screws had clearly not been turned). If it can be fixed, there will not be a cost, and if it does need replacing, Crawford will be contacted to replace the boiler. Matt went in on Thursday and was able to clean the boiler, which, ultimately, didn't have any leaks, and the cleaning addressed the gas.
4. From Boy Scout Troop, Monday meeting discussing where to hang shadow boxes, and will be hung Tuesday
5. Refrigerator in gym needs emptied so it can be cleaned
6. Roaches have been seen in gym. Andy will contact Kevin, who came out last time for pests, and see about setting up a monthly contract

Next meeting is December 1, 5:30 PM

CEFY programming is in full swing for Children, Youth, and Families.

We had a very successful Trunk or Treat with 13 trunks and over 200 visitors. First place was The Jacobsmeier Family, second place was The Schondelmeyer Family, and third place was Diana Darland.

We continued refreshing the 3rd floor:

- Cleared stored furniture from the hallway to create an inviting area for adults as they prepare to meet their children after Sunday School hour.
- Opened up the hallway for full use in active programming for the children and youth.
- Placed a bulletin board to greet people arriving on the 3rd floor. CEFY announcements will be posted weekly. This will provide an additional communication tool.
- Youth room was reorganized, which included a large TV, and Custodial Staff cleaned the flooring.

We are in the process of planning the Christmas Eve Family Service based on “Advent in Plain Sight” by Jill Duffield.

We are working toward monthly tween (3rd – 5th grade) fellowship times to help facilitate a long-term group dynamic.

Please be sure to read our meeting minutes to learn about what is going on in CEFY programming.

Children’s Ministry (birth – 5th grade)

Sunday School focused on the 23rd Psalm. We used a multi-modality approach to accommodate different learning styles. The children were led in yoga/stretch poses which emphasized key words and concepts. Games were used to highlight aspects of Shepherding and explain the metaphor of the Shepherd used in the 23rd psalm. Artwork was used to create laminated placemats with 2 versions of the 23rd psalm. The goal was to expose the children to the formal, traditional and beloved language, as well as a PCUSA simplified children’s wording.

Manna and More programming was created for intergenerational sharing. The Spider Web theme was used, tying in seasonal interests with introducing the Congregation to the new FPC Davenport Website. Hands on spider web, fine motor games were made for each table. The craft table drew children over to create stained glass window themed spider webs. This tied in the Stained-glass window theme from their classroom.

Consecration/Reformation Sunday was celebrated in the gym with a Scottish theme. Stations were set up for a shortbread snack, highland games, 2 Scottish crafts, a Scottish book reading corner, and a coloring center of Edinburgh scenes.

We are empowering our nursery staff to suggest (and make) changes that work better for our church now. This has included rearranging space and furniture. We will plan to update the storage unit to help create more usable space coats and other items.

Youth Ministry (6th – 12th grade)

Our youth ministry program is working on creating lasting and long-term relationships between youth and mentors. We meet most weeks with outings periodically. Our October outing was an Escape Room (we didn't make it out 😞)

The new Confirmation class has begun. We are using the Sparkhouse Confirmation curriculum. A huge thank you to Craig Foster for agreeing to be a Confirmation mentor and Elders signing up to assist as schedules allow.

Matthew Bishop, Director of Music & Arts

The Performing Arts Series has officially opened with a beautiful concert by Lyyra on October 21. An anonymous donor made it possible for 15 students from Augustana to attend the concert.

The Western Illinois University Singers presented a free concert on November 3 as part of their recruitment tour. They were joined by the North Scott Singers, and the audience was quite large (many local WIU alumni were present).

The Justice Choir of the Midwest opens its season on November 16 with a concert titled "Ban(ne)d Together" on the theme of LGBTQ+ Justice and Joy. This is a free concert and a free will offering for Clock, Inc. will be collected.

I am preparing for the Advent concerts and Christmas Concert. Alex is coordinating the organists for the November 30th concert; the December 7th Lessons and Carols will be rebroadcast on WVIK at a time TBD.

I will be away on PTO leave November 21-29.
