

## Bruce Bufe

My wife and I joined First Presbyterian Church, Davenport in 2021. What most caught our attention was at this church it was safe to ask questions, even questions of doubt and uncertainty. At our previous church, such questions were politely sidestepped.

I am committed to being a life-long learner, right up to The End. No questions? No doubts? No learning!

I have been an English teacher my entire career.

- Junior high teacher
- Elementary school reading specialist
- Educational Consultant to 23 local public schools
- College instructor for adults wanting a high school diploma

I believe there will come in our life, times when we journey through the dark night of the soul, and this will be the time when our faith will either be strengthened, weakened, or broken. This will be the time when others understand in a very deep way and can and will walk with us through that Dark Night.
