

## Happy Campership Application Resource

Through the generosity of generations of campers and supporters of our summer camping program and in partnership with local churches, we can offer scholarship funds for those families who, for various reasons, are not able to afford a camp experience for their child.

### The Application Process

- Fill out the online application form. Two people will need to provide information for this form. One is the parent/guardian of the camper, and the other is the referral. The referral is an unrelated adult that can verify the information provided on the form. We recommend you look at the form first to see what information needs to be gathered and then fill it out once you have all the information needed.
- To be considered for Happy Campership, this form must be presented to the office by July 20<sup>th</sup>.
- This form must accompany a completed registration for summer camp. Registrations can be completed online at [Camp Descriptions | Summer Camps | Spring Heights Camp and Retreat Center](#)
- Upon receipt of your application, your church will be contacted to inquire about their assistance in the scholarship requested. We believe that your church making an investment in your camper is an important part of fostering a nurturing relationship between your camper and their faith community. An investment from your church is not required.
- Submitting an application for scholarship does not automatically enroll your child in a camp. Camp registrations fill up on a first come, first serve basis. If you would like to guarantee a spot for your camper in a particular camp while your scholarship application is processed, please complete the \$100 deposit with your camper registration form.

Happy Campership applications are completed as quickly as possible, allowing adequate time for communication with churches and referrals. If you have any questions about the scholarship application process, please contact the Camp Director at [louisa@springheights.org](mailto:louisa@springheights.org)

You will be contacted once the process is completed and provided with further instructions for your camper.
