Fellowship in Discipleship

TRANSFORMING MEN THROUGH DISCIPLESHIP IN JESUS CHRIST

Fellowship in Discipleship (FIND) brings Christian men together to pursue real, life-changing discipleship. We intentionally build relationships that encourage honesty, spiritual growth, and accountability, challenging one another to trust God's love, follow Christ faithfully, and ask the Holy Spirit to transform us into mature men of faith.

FIND

Fellowship in Discipleship

REAL MEN ... REAL DISCIPLESHIP

SUCCESS REALIZED - GROWTH

With the addition of three (3) new groups in 2025, FIND now has 42 groups with 313 members from 53 churches. So far, every group is still active and meeting weekly which is a testament to the energy, protection, and provision our Father is providing these groups.

MEMBER TESTIMONIES

This is where the rubber meets the road. To date, we've recorded 100+ testimonies that tell the story and reveal radical transformation of men's faith, hearts, and lives. These are the ministry's signature and provide insight of FIND's tangible impact that would otherwise be impossible to see.

LEADERSHIP & STAFF SURGE

FIND continued to see leadership development firsthand as men stepped up to serve on the Core Leadership Team (CLT) and Discipleship Council (DC) that support the ministry and the community. Tenured members have been trained to serve as Shepherds. Greg LaRue stepped into the Associate Director role to lead and nourish our CLT and 42 DC Reps. In 2025, we were also blessed by Kayleigh Schwenke and Rachel Ehorn joining the FIND staff as Administrators.

GIVING BACK

Our Annual Day of Service (ADOS) in Fall 2025 saw 60+ members, their families, and men from the Wilchester Men's Club providing manual labor for various projects at Family Point Resources, and the OCWH. 0+ FIND members and their families also stepped up to support the East Spring Branch Food Pantry in November 2025 and stuffed over 1,000 Thanksgiving Day meal bags. We also awarded \$2,500 scholarships to two (2) high school graduates with strong and proven passion toward furthering fellowship and discipleship at their respective colleges this Fall.

KINGDOM-GROWING EVENTS

FIND hosts six (6) annual major events: Annual Retreat, 2 Fire Pit Nights (Spring and Fall), PULL 4 Discipleship Clay Shoot, Dove Hunt, and ADOS. These events are one of the best ways to help new potential members find FIND. We had over 100 men register for the FIND Retreat in February 2025, about 125 attendees at Fire Pit Nights, and 177 participants at the PULL 4 Discipleship. PULL set a high watermark for shooter count and funds raised with substantial proceeds given to our two benefactors, Trexo and Forge for Families. In addition to these events, FIND also subsidizes events like Dinner & A Marriage with Home Encouragement, a bi-annual speaker series, movie nights and even a Deitrich Bonhoeffer play at AD Theater.

ENGAGEMENT

Thanks to our Member Engagement Team, FIND's engagement numbers were nothing less than phenomenal. A whopping 98% of our members donated financial support to the ministry in the last year. This strong showing of support is evidence of how our members believe in the transformational impact that FIND makes in their lives. It also enables FIND to make multi-year budget decisions building a stronger, more sustainable ministry for years to come.
