Amplify Media platform offers over 4,000 studies for all ages from a wide variety of teachers and speakers. This program will also provide an opportunity to study from a Methodist perspective, which was not possible with the current platform (RightNow Media). Amplify Media also offers more access options, for example you can download the app through Roku TV, phone, tablet, and/or a computer. In addition, the cost to use Amplify Media for an entire year is what we would pay for two months with RightNow Media. If you want to use RightNow Media, you are welcome to continue to do so, but you

will need to set up your own account and pay for it on your own as it will no longer be paid for by the church starting 5/1/2026.

So, we at Kenova UMC want to offer this gift to you for free. To access this gift, please click on the link below, and use the code XRTNCZ for Kenova UMC, and you will need to set up an account and log-in information. We hope you enjoy this platform and enjoy studying on your own, in a small group, and/or a Sunday School class. We have access for up to 100 users. Please sign-up today at <https://my.amplifymedia.com/amplify>

A Confirmation Class will be offered for any child ages 10-18 that is interested in becoming a member of Kenova UMC. The classes will be on Sundays (April 26, May 3, 10, & 17) after church in the Parlor (lunch provided) from 12:30 - 1:30 pm. A sign-up sheet marked "Confirmation Class" is available in the Narthex.
