

# Symphony Brownies Recipe:

1 Box Family Size Brownie Mix  
3 Giant Hershey Symphony Bars

Follow the brownie mix box directions to make the brownie batter.  
Spread  $\frac{1}{2}$  of the batter into a greased 9" x 13" pan. Lay the Hershey bars over the batter.  
Spread the rest of the batter over the Hershey bars. Bake as per the instructions on your box mix. Wait until cool before cutting into the bars.

Tip: For Gluten Free Brownies you can substitute a Gluten Free Brownie mix, just make sure it's enough for a 9" x 13" pan (about 18-19 ozs)
