MEDFORD, OKLAHOMA

We have begun our Bible Study in Medford, Oklahoma. Initially, we were meeting on a Wednesday night in a home. Now we're meeting at the Palmer Place in downtown Medford on Sunday nights. Our attendance has jumped from 5 to 18. We are hoping that there might be a church organized by the end of the year, Lord willing. Bob Courtney is leading this plant. In the last week, we have received \$3,500 from the IFCA Sprague Grant for the purpose of paying our rental fees until the end of this year. Dr. Bob is leading the study. Pray that the Lord will send us a missionary pastor to continue this work.

KIOWA, KANSAS

As reported before, we were able to secure a pastor for this fellowship. The church has been through a lot of changes in the last year. Bob Courtney preached and led the congregation until December 2025. During that time, a new doctrinal statement and name change were approved. The new name is the Kiowa Independent Congregational Church. We are now working on creating a new constitution. Daniel Stanley is now pastoring this church as a new missionary with CSCE. The church had their first baptism by immersion more than a week ago. (This church has never had a baptism by immersion). Daniel and his wife Abby and their two children have settled in. The congregation seems quite pleased.

LOOKING FOR HELP

We are in need of missionary personnel.

Grace Baptist Church, Whitewater, Kanas: We need a missionary pastor to lead this fellowship. It has been quite a long time since they had a pastor.

Sanger Bible Church, Sanger, TX: This church plant in nearing its second year. Charles and Elaine Sanger have been doing an incredible job leading this fellowship. We need a missionary pastor to go and serve alongside them.

Missionary pastors are needed in the future designated church plants for Longview, TX and Enid, OK.

If interested: contact Dr. Robert Courtney, rcourtney@csce.church

Please pray with us for the Lord to send workers into His field!
