

Patio Update 6/25/26

Church family,

Below is the current progress update in regard to our patio project. If you have any questions, please feel free to email me at maya.benishek@cwcmv.org.

All I can say is **PRAISE GOD!**

We've chosen a contractor and I am signing the contract on Friday. He said he can start work as early as Monday next week. The concrete work will only take a week to complete so the concrete might be complete by the time I send out the next update.

I am beginning to order the furniture and planters! Once those arrive, we just need to assemble and anchor everything. With that said, we are planning a **workday on July 25th** to assemble the tables and anchor all the different components. If you have the tools and/or skills to drill the anchors into the concrete, **please sign up to help!!** The details will be on the website soon.

I am confident that we will be able to complete this project before the start of the ministry year in September!

Please be praying that the concrete work goes smoothly, that everything arrives in a timely manner with no damage, and that the Lord will provide the volunteers we need to get the work done.

Thank you for your prayers and patience.

Maya Benishek
