OUR MISSION FOR MODESTY

Our mission at the Tri-State Baptist Academy is to ensure the best possible learning environment for our children. Our goal is to accomplish this not only from an academic standpoint, but also a Christ-honoring one. We will be using uniforms for our students at our Academy. We feel that this will not only ensure that as our Academy grows we will be able to maintain a standard of modesty for all of our students, but that it will also enhance the learning environment. We have listed below just a few of the reasons why we have chosen uniforms for our Academy.

Uniforms eliminate difficulty finding modest clothing. We will be offering a variety of options to choose from; however, all of these options will be modest ones. In today's culture, it can be very difficult to achieve this by shopping in stores.

Uniforms eliminate problems with peer pressure and competition when it comes to the types of clothing being worn. This will ultimately eliminate distractions and enhance the learning environment.

Uniforms are more cost effective. One of the sites we are sourcing our uniforms from did a study that showed uniforms are significantly cheaper. More items can be purchased that fit our dress code at a much lower cost than many other stores.

We have attached a catalog of items that our families will be able to choose from. All of our items that are to be embroidered with the Academy logo (e.g., polos, shirts, jackets) will be ordered by the Academy. We will send an order form home for our families to choose what they will be purchasing for their child. We will then order all of the items that have been turned in by our families. The items that will not be embroidered (e.g. pants for the boys and skirts and dresses for the girls) can be purchased by the parents from the approved places listed in the catalog.

There will be certain times that we will allow dress outside of our dress code. Examples of these exceptions would be for spirit days, fun days, or some holiday events. We will provide information about these times as they are scheduled. If you have any questions, please do not hesitate in reaching out. Thank you for joining us as we are doing all to stand for the cause of Christ.
