Special
Guest Speaker

Keith
Downey

Keith brings a unique background as the founder and Director of the Big Sky Center for Biblical Citizenship. He was part of planting a church on the campus of the University of Wisconsin. He was a businessman and a management consultant for state and local government operations. And during his time in Minnesota politics, Keith was a state legislator, state party chairman, and candidate for the Republican nomination for Governor. Combined with the biblical principles of God's design for freedom, government, and citizenship, Keith's very practical experience helps inform the church in Montana on how to engage in the public square.

Keith is also Director of the Church Ambassador Network of Montana, a group of pastors ministering to their elected officials. The Church Ambassador Network helps connect pastors with elected officials—as a Person, Shepherd, and Partner. You can find out more about the Church Ambassador Network at canmontana.org.

DADS CAMP AT BCC!

DADCAMP is on a mission to build stronger fathers who build stronger families all around the world. We do this through epic weekend events for DADs and their kids in grades 1-12. This year, we're celebrating our 20th birthday!

That's 20 years of DADs becoming stronger fathers.

20 years of legacy impact in the lives of families.

20 years of men becoming who God calls them to be.

20 years of DADs and their kids finding hope and their identity in the name of Jesus.

And this is just the beginning!

Registration information can be found at "dadcamp.org/montana." There are still spots during week 3 for the Friday, August 21st - Sunday, August 23rd, 2026 for the Elementary Co-Ed Camp.

More info is available at "dadcamp.org."
