ENDOWMENT FUNDS FOR CHILDREN'S CAMPS

AGES 6-18

In order to withdraw funds for camps, parents should pay all they can afford. At that time whatever is needed can be withdrawn from the money set aside for this purpose. (The principal amount of \$5,000 is not to be touched and only the interest is to be used.)

The money was set aside for the children to enjoy the fellowship and fun. The Children and Youth Leaders are to help choose the receivers of this opportunity to attend the camp.

Also, I would appreciate getting a note as to the state of the funds and it would be nice to hear about how the children enjoyed the opportunity to attend the camp.
