

Patio Update 7/30/2026

Church family,

Below is the current progress update in regard to our patio project. If you have any questions, please feel free to email me at maya.benishek@cwcmv.org.

In all honesty, I didn't make as much progress as I was hoping over the last two weeks, but here's where we are...

The idea was brought up to put in a gate instead of just closing off the railing by the café door. I have a couple of people I am planning to discuss it with before making a final decision. But I have a volunteer confirmed whichever decision we make.

I have ordered the parking blocks, and they are being installed this Saturday! I am going to order the tables tomorrow and they should arrive within a week.

I am excited as each step brings us closer to finishing!

Thank you for your continued prayers and patience.
