VineKids Weekly

Mira@Leys

When we visit an aquarium, we find a whole world filled with sea creatures, plants, and more. Some of the discoveries we've made about what lives underwater can seem almost like a miracle. But it's not just under the sea where miracles happen—Jesus used water in some of his most well-known miracles! In this four-week series, kids will learn about some of the incredible miracles Jesus performed to help people grow closer to God. As they do, they'll learn how **Jesus does everything out of love, calls us to follow him, knows what we need**, and, most of all, that **Jesus can do anything!**

Want to learn and grow alongside your VineKid as we go through this teaching series? You can! Spend a few minutes each week **studying** the passages of Scripture we'll be teaching, **praying** about what God wants to do in you and in your family, and **growing** by putting God's words into practice in your own life.
