WELCOME TO KINGDOM BUILDERS 26/27

What God is doing is so much greater than we can see - it started before us and will continue long after us, AND we all have a part to play!

Our prayer is that God will continue to enlarge our vision so that we see from His perspective - see the people around us, the community He has placed us in and the resources He has put in our hands.

When we see with eyes of faith, desiring to be part of building the Kingdom, God will do incredible things - beyond what we can imagine!

Let's be encouraged as we seek God together in this season and step out in faith, expectant for Him to move!

Blessings,

Ps Nick and Melissa

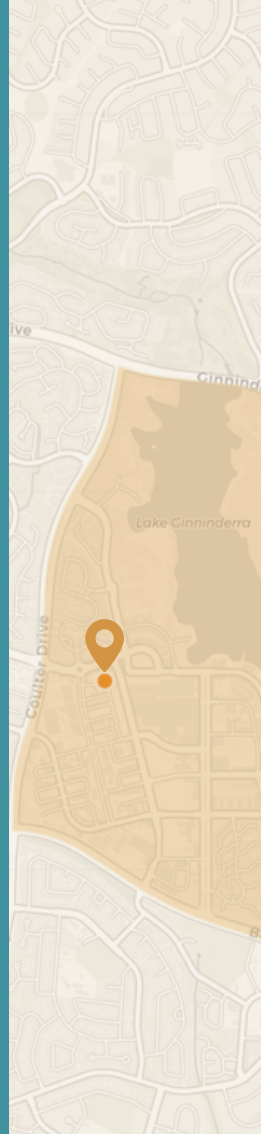

KINGDOM BUILDERS

A key part of our journey as a growing church has been taking ground in the Belconnen region. Through steps of faith and sacrificial generosity we've been able to purchase our current facility and establish a permanent presence in our community.

What started as a small offering has become an annual rhythm where we remember and celebrate God's goodness and look with faith to the future. Together we prayerfully consider what we can give and commit as individuals or families for the coming year. This is not about obligation - it's a moment and commitment of great joy as we step out in faith.

Together we will:

- Expand and develop our facilities for the future
- Reach further into our local community and through global missions
- Invest in raising a generation of leaders who will multiply what we we currently experience

THE VISION

➤ LOCAL

Here in Canberra, Kingdom Builders fundraising enables us to:

- Pay down the mortgage on our Rae St facility and continue making improvements to our ministry spaces
- Increase capacity by renting and in future buying new spaces
- Open new doors through Playgroup and Youth outreach
- Reach into schools and university ministry
- Sow the seeds for future ministry in Gungahlin
- Partner with like-minded organisations to bless Belconnen

➤ GLOBAL

Kingdom Builders giving reaches across the globe through:

- Partnership with Harvest Hope Africa to bring hope to vulnerable communities
- Compassion projects in the Philippines
- Church Planting with our C3 movement

➤ GENERATIONAL

Through Kingdom Builders we invest in the next generation by:

- Establishing facilities as an asset for the future
- Intentional training for young leaders who will start ministries, lead new locations and plant churches

GOING BEYOND

BE INSPIRED

Catch the vision as we share stories of faith and the impacts of Kingdom Builders over many years. We all have a part to play in God's incredible plan for our community.

PRAY

Seek God's wisdom as you consider how to be involved. We'll set aside time to pray and fast together - stirring up faith and believing for lives to be transformed.

PLAN

Consider how you can be involved to your full potential. Stretch but be reasonable. Plan how you will fulfill your pledge and give regularly so your commitment is a source of joy.

PARTNER

We all have a part to play. The heart of Kingdom Builders is equal sacrifice, not equal giving. Be encouraged as we step out in faith and celebrate together.
