ORDER

Like ducks in a row,
my thoughts and
feelings adjust and
balance in perfect
order on my way to
abundant blessings.

Divine order adjusts
my steps to a perfect
harmonious balance
of body, mind, and
spirit.

As I observe the rising
and setting of the sun,
the passing of the
seasons, seeds
growing into plants
and fruit, I know the
peace and harmony
of divine order in
myself and the world.

Centered in God, I am a presence of peace and harmony.
