

Patio Update 8/27/2026

Church family,

Below is the current progress update in regard to our patio project. If you have any questions, please feel free to email me at maya.benishek@cwcmv.org.

Tables: The tables were shipped this week and should be delivered on Friday! (2 weeks early!) We will work on assembling and anchoring the tables mid-September.

Planters: The planters were installed on August 15th. The team did a fabulous job! Each planter weighs approximately 400 lbs. and the guys installed them without injuring anyone or damaging the planters – THANK YOU so much to those who helped!

Irrigation: I talked with our landscaper this week and he will install the irrigation on Tuesday of next week. Once that is complete, we can take the next step filling the planters with rocks and soil.

I am so grateful for all of the help I've received in working on this project and am so excited to see it come to fruition over the next month!
