Your generosity is changing lives!

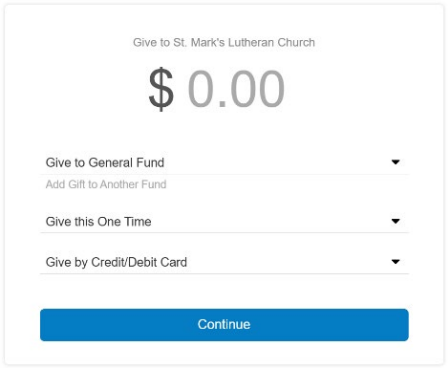

Give one-time or schedule recurring giving using any of the Online Giving options below.

https://stmarks.breezechms.com/give/online

THANK YOU FOR YOUR SUPPORT!

QR Code Giving

Website Giving

Text Giving

Simply text "Give" or "Give <amount>" (ex. "Give 250") to **913-799-1898.**

Gifts go to the **General Fund** *by default.*

(Note that text giving does not currently allow the donor to cover the processing fees.)

If completing any of the giving options above for the first time, please complete your Giving Information and ACH or Credit/Debit card details. Once complete, the information is securely saved for future gifts.

You can optionally choose to cover the processing fee for QR Code and Website Giving.

ACH transactions (preferred) have much lower processing fees than Credit/Debit Card transactions.

For **QR Code Giving**, focus on the code with your phone camera, then click on the link on your screen.

Note that current giving methods will still be accepted (plate offerings, mailed donations, and Vanco).

Simple and Secure Online Giving

Encrypted connections: Breeze/Tithe.ly uses HTTPS SSL encrypted connections for all data sent back and forth. This is the same standard used for transferring credit card data.

No stored card numbers: Full credit card numbers are not stored on Breeze/Tithe.ly servers. Your payment information is securely stored by the payment processor, Stripe, an industry leader in online payments.

PCI compliant: Systems are PCI compliant, ensuring the highest standards for handling payment data.
