Holly's View

Are you Fall-O-Ween Jesus? Following Jesus is more than a casual baseline of belief; it is a daily, transformative journey of surrender and purpose. It means aligning your heart with His teachings, choosing love over judgement, grace over retaliation, and humility over pride. When you decide to follow Him, you walk a path marked by faith, allowing His character to reshape how you treat others, face trials, and view the world. It is not about attaining perfection, but about cultivating a living relationship with a Savior who offers true hope. Are you walking your own path, or are you truly following Jesus?

Care With Bears

The Weirton Charge has an ongoing ministry to supply stuffed animals to First Responders to give to children undergoing a traumatic experience. Our first batch of "stuffies" were blessed and distributed earlier this year. Our next blessing will be coming near the end of the year. If you would like to donate a stuffed animal to this worthy cause, please contact the Charge office.

Memorization verse

The harvest is plentiful, but the laborers are few
