WHAT IS KINGDOM BUILDERS?

Kingdom Builders are a group of fully committed individuals and families who prayerfully commit to give, over and above their tithes, to global missions, local church expansion, and next generation leaders.

KINGDOM BUILDERS

Pastor Phil & Jenn Caporale, on the KB trip to Colombia in 2025

LEGACY BEGINS NOW

For more than 100 years, God has been faithful to Kingsway Church. Generation after generation, people have prayed, served, and sacrificed, so that the good news of Jesus could be told. We are here today because others before us believed that what God was doing was worth carrying forward. Now, it's our turn.

Psalm 79:13 declares, "...we will praise you forever, from generation to generation we will proclaim your praise." This verse captures the heart of this moment in the life of our church. God's faithfulness doesn't fade with a generation—it flows to the next.

Our greatest legacy will not be the buildings we leave behind or the programs we create. It will be people who know Jesus, live their lives for Him, and carry the gospel into the next generation. I believe it's why this God-given vision is so vital to us now and in the days to come.

Our Legacy 2035 Vision is to reach and impact our homes, our communities and our world. In Acts 1:8 Jesus tells us, "But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth." ***Our Jerusalem*** = Next Generation Leaders - 100 pastors, missionaries & ministry leaders trained and released. ***Our Judea & Samaria*** = Local Church Expansion - 10 Kingsway campuses / church plants launched. ***The ends of the earth*** = Global Missions - 100 missionary partnerships supported. It is more than a legacy we want to celebrate. It is a vision we want to carry. And carrying the vision requires more than words. It requires our sincere prayer, our faithful participation, and our radical generosity. As you read through these pages I invite you to prayerfully ask : "Lord, what are You asking me to give to You for the sake of the generations to come?" How will you pray, give and go on mission? It will look different for each of us, but as each of us does what we can, we will do much more together. There is no substitute for obedience, and there is no gift too small when it is placed in God's hands. I am asking every person and every family to pray, listen, and respond to what the Lord asks of you by being a Kingdom Builder. One day, another generation will be where we are today. May they look back and say of us..."they didn't just call it a legacy. They carried it. They didn't just celebrate what God had done. They invested in what God wanted to do next." Let's hand the next generation a living faith, not just a fading memory. Let's continue serving. Let's continue sacrificing. Let's continue proclaiming the good news. From generation to generation—until Jesus returns.

PRAY...

It all begins with prayer.

Mark 10:46-52 records an intriguing encounter between Jesus and the blind beggar, Bartimaeus. Jesus is leaving Jericho and a large crowd is following Him. On the side of the road sits a beggar, probably excited about the foot traffic that is flooding past him (more people = more opportunity for donations). Amidst all the noise, Bartimaeus learns of the reason for the crowd: Jesus of Nazareth is nearby. Instantly, Bartimaeus begins screaming, "Jesus, Son of David, have mercy on me!" He's desperate to get Jesus' attention. Many people try to silence him but Bartimaeus just keeps shouting.
Then, the unexpected happens: Jesus hears Bartimaeus' pleas, stops in His tracks and asks, "What do you want me to do for you?"

Can you imagine? A blind beggar, screaming at the top of his lungs, captures the attention of the Creator of the universe? Bartimaeus asks for the impossible and receives. He woke up that morning blind; he went to bed that night with sight.

What would happen if we began to cry out to God for His mission in our world? Do you think we could get His attention if we started to plead with Him for our neighborhood, our city, our nation, and our world? We think we just might.

So...***PRAY***!

"More things are wrought by prayer than this world dreams of."

3 P's OF MISSIONARY PRAYER

By Dave Greco

PRAY FOR THESE THINGS IN THE LIVES OF THE MISSIONARIES WE SUPPORT:

Physically, spiritually, in their relationships, and their stress levels.

In their finances, home, friendships, schools, for "open doors," and cultural understanding.

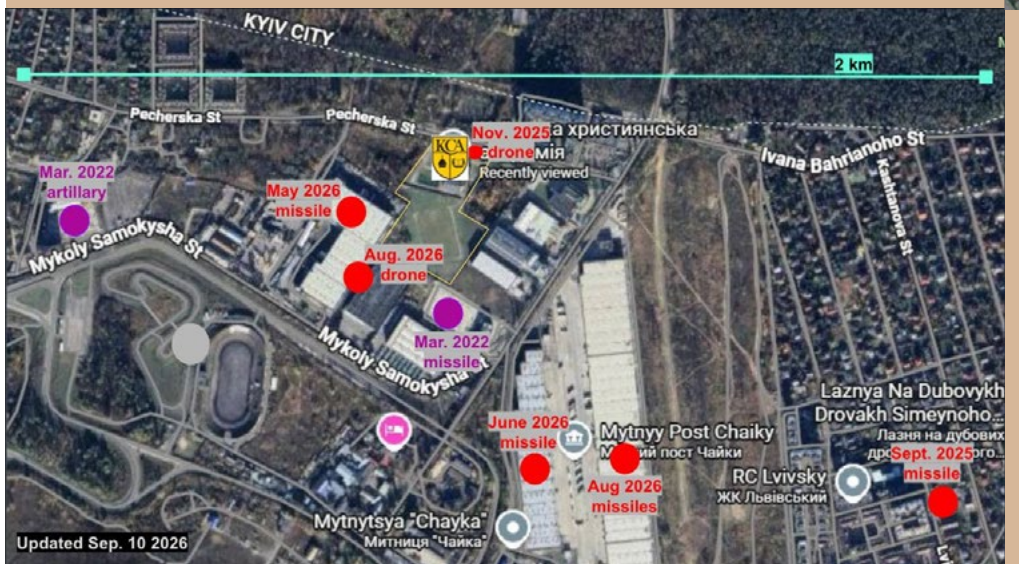

In their personal life, marriage, home/family, and ministry.

PRAYING IMPACT - GLOBAL MISSIONS

"As the school year began, Ukraine entered another season of war that has been more intense than previous years. In the midst of this chaos, children at Kyiv Christian Academy have returned to school. Many schools across Ukraine have returned to online learning because their bomb shelters are inadequate, but KCA's K–12 school remains open. ***We have seen God's protection in remarkable ways.*** Destruction has occurred in warehouses and offices all around the school, and our closest call came when a drone landed in the schoolyard. The impact blew out 75 windows and doors. Thankfully, it happened on a Saturday, and no one was injured. The windows and doors have since been replaced."

NEW MINISTRY LEADERS

In 2023, Kingsway Church launched Leader Track - our intentional effort to disciple and develop leaders to expand their influence wherever God is calling them to serve. We've seen leaders raised up to serve Kingsway and able to increase their effectiveness in the marketplace. As God continues to call, we are committed to building on the legacy of Kingsway Church to send out, from our body, pastors, missionaries, and ministry leaders.

"Leader Track has been a powerful foundation in my faith and leadership journey. While I'm still a work in progress, it taught me to lean on God, lead with purpose, and pursue excellence. Today, I'm honored to serve in Worship and Prayer, make an impact in the workplace, and help develop future leaders, all for God's glory."

Sonia Salmeron
Worship Team

"Leader Track helped really define the ideals of what being the leader God created me to be, especially in regard to the community and trust needed between fellow leaders. It helped prepare me for what to expect and how to be the disciple who stepped into a role of leadership, even with the uncertainty of what it would look like before I was a small group lead for Kingsway YTH."

GIVE...

Matthew 13:33 - “The kingdom of heaven is like a treasure that a man discovered hidden in a field. In his excitement, he hid it again and sold everything he owned to get enough money to buy the field.”

The old adage goes something like this: dogs bark, fish swim, Christians give. That’s what we are designed to do. Why? Because the One we imitate is a giver. “For God so loved the world that He gave...” As the beneficiaries of God’s lavish grace, we give - generously and frequently. The question isn’t, how much do I have to give? The question is, how much do I get to give?

What would happen if we treasured Jesus above everything else? What if we started making purchasing decisions based, not on impulses or desires, but on advancement of mission? What could happen if we invested in kingdom builders with determination, sacrifice, and intentionality?

Want to find out? Then....***GIVE***! We move at the speed of your generosity.

“He is no fool who gives what he cannot keep to gain what he cannot lose.”

KINGDOM BUILDERS

GIVING IMPACT - GLOBAL MISSIONS

$25,000 **URUGUAY**

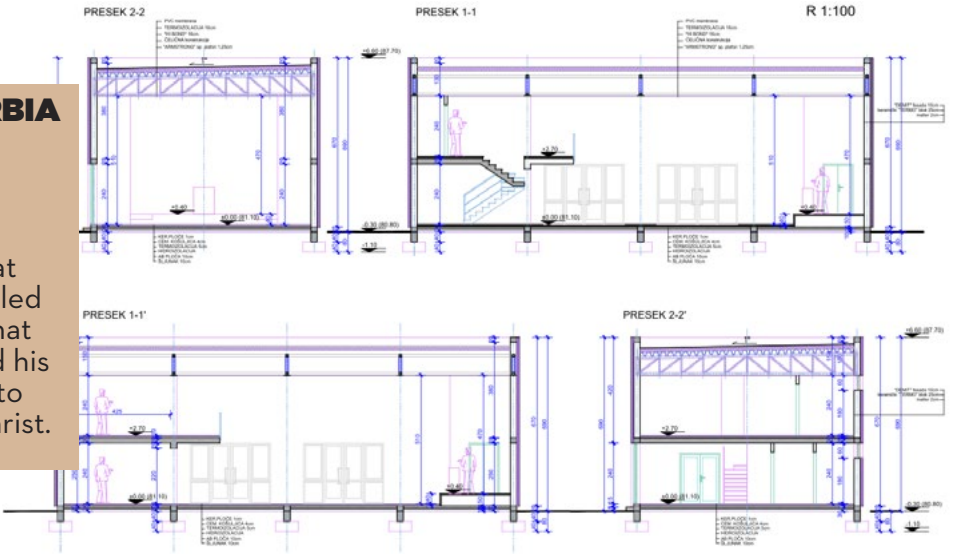

Kingsway partnered with the Hope for Uruguay 100 initiative to establish 100 new churches in the least reached areas of Uruguay and then build 100 sanctuaries for these new and growing congregations. Our gift built a sanctuary for a church plant in Solymar Sur, a neighborhood just outside of the capital city of Montevideo.

$2,500 **SERBIA**

Kingsway gave to help build a 200 seat sanctuary for the church in Zrenjanin, led by Pastor Jovica Popov. His vision is that this new sanctuary will enable him and his congregation to expand his outreach to his city, to see many come to know Christ.

$5,000 **MICRONESIA**

Kingsway Church gave over $5,000 to Missionary Diane Laws to help purchase a flatbed truck - used to transport teams to outreaches, gather the faithful for prayer and hold house church services.

God's kingdom is being built locally through His Church and the ministries that He has called and raised up to serve our community. In South Jersey, we GIVE monthly to organizations that serve the food insecure, the addicted, the homeless and the disadvantaged.

Your giving is "out" and making a difference in the community through these organizations:

Faces of Change

Faces of Change is an addiction services ministry based in Camden. It provides assessments, referrals, processing, and support meetings for those battling addiction. Led by Lucy DuBose, she and her team also go out into the community every Sunday night, meeting the needs of the homeless and those on the streets.

LeaderUP

LeaderUP aims to bridge the gap between church and community, by powerfully engaging and inspiring youth to be leaders through developing relationships. LeaderUP provides a biblical approach to life skills and discipleship to instill long-term change in the lives of youth.

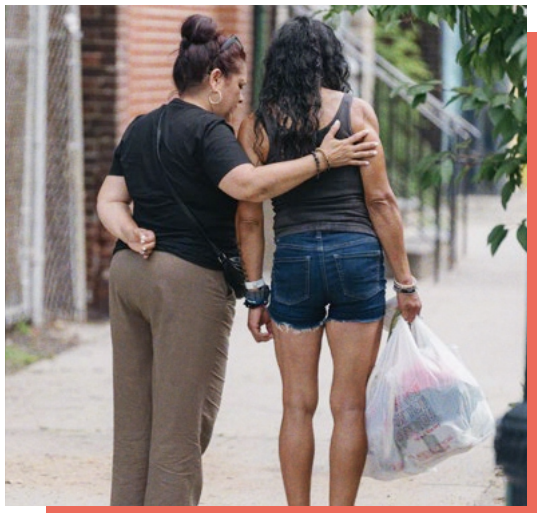

Options for Her

Options for Her provides pregnancy confirmation services and support for those navigating an unplanned pregnancy. Services include pregnancy testing, ultrasounds, and a mobile unit that provides services out in the community. Services are offered to anyone but because they are pro-women and non-profit, they do not provide or refer for abortion services.

Seeds of Hope

The mission of Seeds of Hope is to demonstrate the life changing love of Jesus to inmates, ex-offenders, poor, homeless, and those trapped in addictions and prostitution. They do that through:

- My Fathers Hands - an outreach to those who find themselves on the streets of Camden.
- South Jersey Aftercare - an ex-offender re-entry ministry for men returning from prison.
- She Has A Name - an outreach and in-reach ministry to ladies who find themselves in bondage to drugs and prostitution.

GIVING IMPACT - LOCAL CHURCH EXPANSION

The WOW Center, which Kingsway supports monthly and with project funds, is a New Jersey-based 501c3 nonprofit organization with a mission of empowering real women with real stories to thrive, dream, believe, and pursue the impossible through love and community.

In 2025, they served ***41,766*** individuals through programs designed to meet immediate needs, foster long-term stability, and encourage faith, wellness, and community. Here is a recap of some (not all) of their services:

39,308 - Food Pantry
106 - NJ Reentry (NJLead)
364 - Senior Activities
340 - WOW Boutique
22 - ESL class

NEXT GENERATION LEADERS

"A righteous person is one who lives for the next generation."

- Dietrich Bonhoeffer

How does Kingdom Builders invest in (give to) the next generation? We provide an annual gift to our leadership school, and scholarships for high school students. Our Next Gen ministries teach and challenge both our kids and students to support missions as well.

KINGSWAY
Leadership School

Kingsway Leadership School is designed to help identify and develop next generation leaders that will shape the future. Students engage in character development, pursue an accredited, academic degree, and receive hands-on ministry training.

KLS students develop in three areas:
Heart (Character)
Head (Academics)
Hands (Ministry Training)

YOUTH SCHOLARSHIPS (for missions trips)

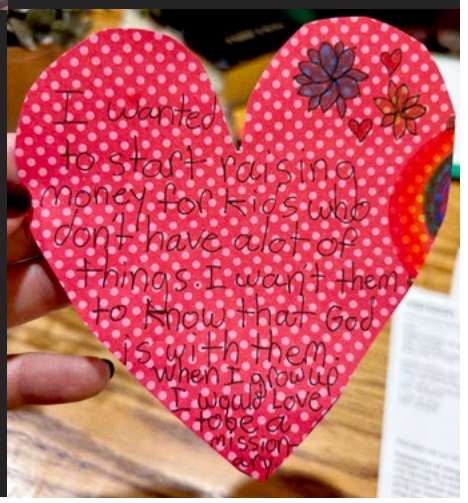

What better way to raise up men and women committed to the Great Commission than to plant that passion in them through a global mission experience? We want every qualifying junior or senior in high school - who attends and is a part of Kingsway YTH - to go on a mission trip – fully funded.

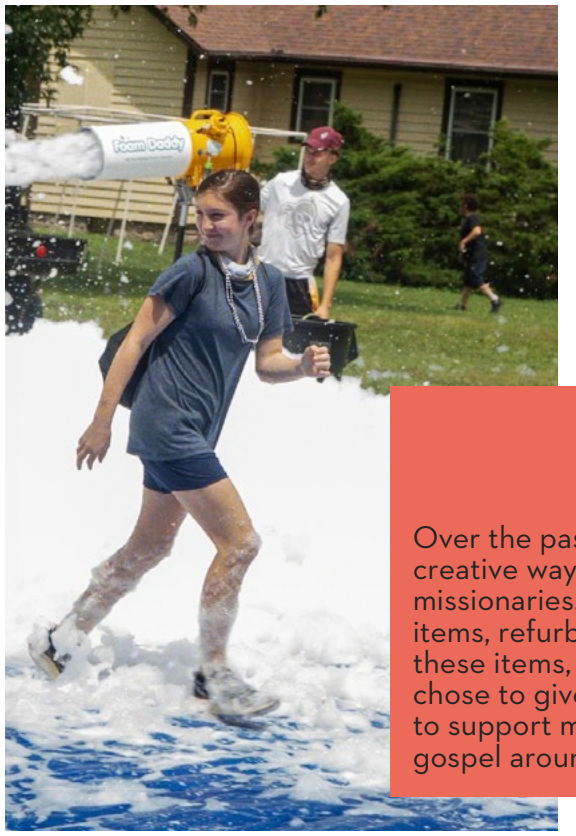

GIVING IMPACT - NEXT GENERATION LEADERS

Reagan, one of our kids who attends our Cherry HIll elementary environment on Sundays, came up with an idea to help raise money for BGMC. She had this idea to make personalized bracelets to sell to family and friends. Mom says "She saw another child raising money for a toy and she thought, I could do that and raise money for church".

When we asked Reagan why or the heart behind it, she said "I wanted to start raising money for kids who don't have a lot of things. I want them to know that God is with them. When I grow up, I would love to be a missionary."

Over the past year ***Alegra*** has found creative ways to raise money for missionaries. By collecting discarded items, refurbishing them, and selling these items, she raised money and chose to give to Speed The Light to support missionaries sharing the gospel around the world!

Kid's Way
BGMC

Boys & Girls Missionary Challenge (BGMC) is committed to beginning the process of missions awareness, concern, and stewardship in young lives. BGMC challenges kids to reach the world by introducing them to the Great Commission at the earliest possible age. At Kingsway, we want our kids to be Kingdom Builders too. They are discipled to pray for missionaries and give towards BGMC every month.

STL KINGSWAY YTH

SPEED THE LIGHT

STL is a student-led initiative providing essential transportation and creative communication equipment, like boats, cars, and even yaks, for missionary evangelism. Kingsway YTH students are challenged to be Kingdom Builders, investing in spreading the gospel around the world.

GO...

Matthew 28:18-20 - “Then Jesus came to them and said, “All authority in heaven and on earth has been given to Me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.”

We believe every person, nation and ethnic group deserves a chance to hear the gospel.

How did you come to know Christ? Think about that. If we are honest, none of us who claim Jesus as Savior today could make that claim if someone, somewhere hadn’t decided to GO.

What do believers do in response to Jesus’ command? We don’t sit on the sidelines. We don’t make excuses. We **GO**!

“The spirit of Christ is the spirit of missions. The nearer we get to Him, the more intensely missionary we become.”

- Henry Martyn

KINGDOM BUILDERS

EL SALVADOR

10 people served alongside our good friends at Kings Castle Ministries, Pastor Juilo & Carolina Ramirez and Missionaries Don & Terri Triplett. Our team participated in evangelistic outreach that resulted in:

14 programs
514 people reached
181 decisions for Christ
219 prayers for healing
322 prayers for problems

BELGIUM

11 people partnered with missionaries Joel & Gail VanBriggle, who are planting a church with two locations outside of the capital city of Brussels. We helped them launch their next season of ministries with a Young Adult Game Night, Youth Night and Back to School Bash. Our team also did cleaning and light maintenance at both church locations and several prayer walks.

MICRONESIA

10 people served alongside missionary, Diane Laws, to do both children's ministry and train local church volunteers in kids ministry. Our team brought energy, excitement and encouragement to the local body of believers and helped parents as well.

THAILAND *(VIRTUAL)*

Our Virtual Trip to Thailand allowed ***23*** people, including two kids, to travel around the globe to meet our missionaries, Josh & Tonya Jacks to learn all about their ministry in the Buddhist world. We watched videos, heard testimonies, and dove into what Buddhism means and how the Jacks are working to bring Jesus to Southeast Asia. We capped off our virtual experience with an "in person" lunch at a local Thai restaurant.

"The Virtual Thailand trip was deeply meaningful to me because it gave me a greater understanding of the importance of sharing the gospel and the hope of Jesus with the Buddhist community. Learning that there are more than a billion people across the Buddhist world, many of whom may not hear the message of Jesus, truly broke my heart.

I was incredibly grateful for the opportunity to learn about Thailand's culture, to experience some aspects of its food and traditions, and gain insight into the daily lives of its people. One of the most impactful parts of the experience was praying for and engaging with the missionaries who are faithfully serving in Thailand.

Overall, this was a beautiful experience - it deepened my compassion for those who have not heard about Jesus. It has inspired me to be more intentional in praying for and supporting global missions."

Edith Santiago

"And all of this is a gift from God, who brought us back to Himself through Christ. And God has given us this task of reconciling people to Him. For God was in Christ, no longer counting people's sins against them. And He gave us this wonderful message of reconciliation. So we are Christ's ambassadors; God is making His appeal through us. We speak for Christ when we plead, 'Come back to God!"

- 2 Corinthians 5:18-20

GOING IMPACT - LOCAL CHURCH EXPANSION

Kingdom Builders partners with Missionaries Joe and Jen Butler, in advancing the mission of Ability Tree, a non-profit organization that is devoted to making Jesus accessible to all by:

- Providing disability ministry training for the local church through nation-wide consulting. We help churches become more accessible through assessing their place, people, and programs.

- Providing R.E.S.T. (Recreation, Education, Support & Training) to individuals and families impacted by disability through local branches in New Jersey, Arkansas, & Florida.

ABILITY TREE CAMP 2026

A team of ***SIX*** from Kingsway Church served at the second of three camps that Ability Tree offered in Pennsylvania. At that camp:

92 counselors and staff were able to connect, serve and form relationships with campers.

6 campers and 1 counselor staff were baptized.

57 campers experienced a week of fun, community and spiritual engagement... And, ***their parents and caregivers*** were able to receive five days of much-needed respite!

GOING IMPACT - NEXT GENERATION LEADERS - YOUTH SCHOLARSHIPS

"I have a lot of people in my family with disabilities and not all of them have found God and I was just able to see how we can bring Christ to them in a different way that actually connects them to Jesus. I feel like I am able to come back home and talk to them [my family] and those with disabilities in a way I wasn't able to talk to them before."

GOING IMPACT - NEXT GENERATION LEADERS - KINGSWAY LEADERSHIP SCHOOL

Need some help connecting the dots? People in our church give to Kingdom Builders (KB). KB provides an annual gift to KLS, helping underwrite their operational costs. Because our KLS students are focused on becoming the next generation of servant leaders, they are required to plan, organize and conduct an annual service project or outreach. Here is what they did:

On Saturday, March 14, 2026, our Kingsway Leadership School students led Mission 25:40, a churchwide outreach named for Matthew 25:40: "Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me." The outreach took us back to Kingsway's roots in Camden, at the corner of Broadway and Chestnut. We had two aims: to serve our neighbors experiencing homelessness and to thank the first responders who care for them.

Led by the KLS students, about ***85*** people from our church took part in some way. Some served on the day itself, and many others gave. We were in Camden for several hours. We packed ***100*** hygiene kits and ***100*** sandwiches at the start of the day, and we came home with nothing. Several dozen people received them on the street at Broadway and Chestnut. Rebekah Holonia, a KLS alumnae who serves with Faces of Change, knew of other pockets of people experiencing homelessness nearby, so we took everything that was left to a second location. By the end of the day, all ***100*** hygiene kits and all ***100*** sandwiches had gone to people who needed them, and we prayed with at least half of the people we served.

The students also visited the local police station and fire station. They brought sweet treats to the first responders and thanked them for all they do to help the homeless in Camden.

BIBLICAL FOUNDATION

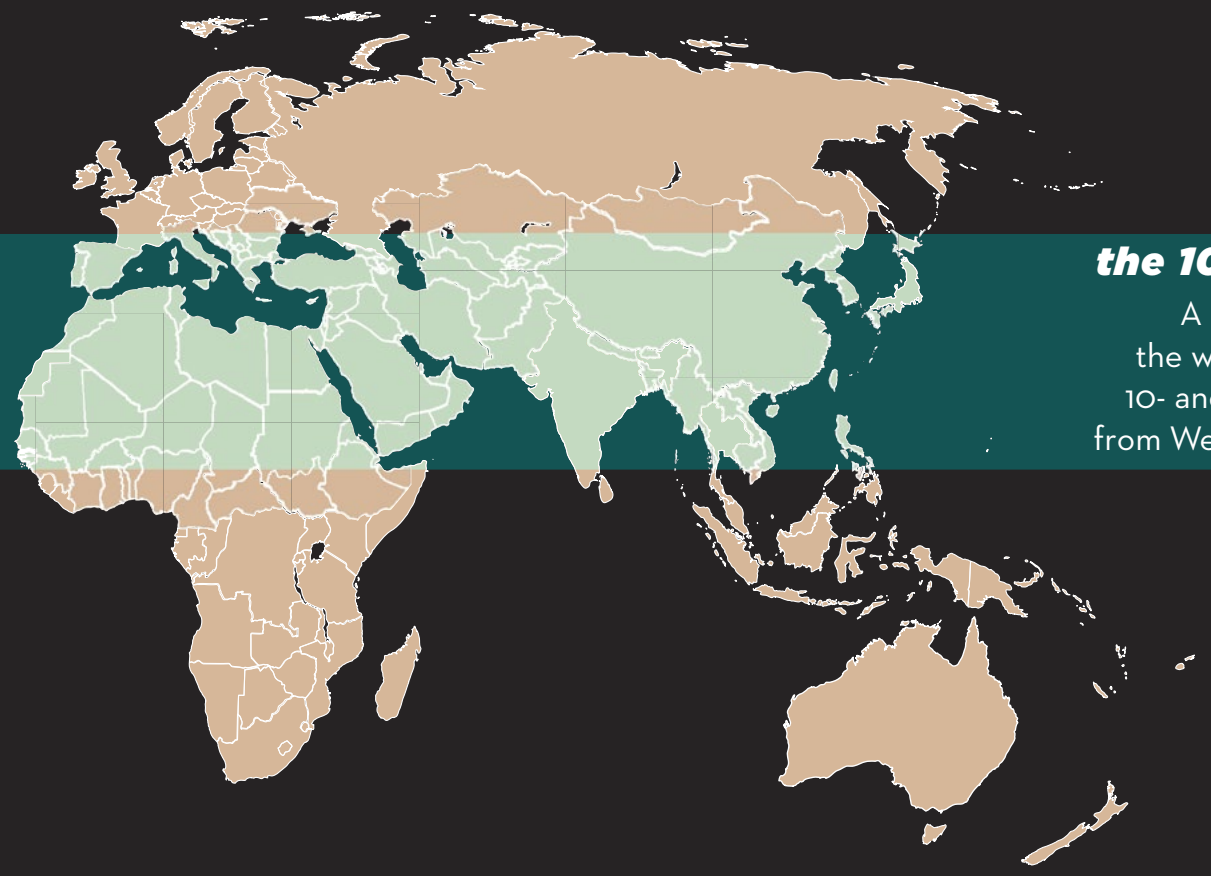

All throughout Scripture, you can see God's heart for the world and the nations. In fact, there are 1,600 Bible verses that show God's passion for the world. From Genesis to Revelation, God's desire is to make Himself known and show His love to all people on earth.

In John 3:16, it says, "For God so loved the world that He gave His only son." Christ's last words can be found in Acts 1:8. He says, "You will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth."

These words of Christ are our common mission as followers of Jesus. Our ultimate goal, found in Scripture, is depicted in Revelation 7:9-10, where it says that every tribe and nation would gather around the throne of Jesus, giving Him all of the praise and worship.

Simply put, the aim of "missions" is to see God's glory and the Gospel advancement among all nations and people on earth.

If God's heart is for the world and the nations, are our hearts in alignment with His mission? As followers of Jesus, we should be on mission for Him so that all may know and worship Him.

the 10/40 WINDOW

A geographic region of the world located between 10- and 40-degrees latitude from West Africa to East Asia.

THE UNREACHED

The state of the world paints a picture of a worthy work left unfinished. To understand this world, we must be aware of how many people have yet to hear the Good News of Jesus. Those that are waiting and have very little or no access to this Gospel are known as the Unreached.

More than half of the world's population and people groups live in the 10/40 Window. Approximately 5.49 billion individuals residing in 8,572 distinct people groups are in the **10/40 Window**. 5,905 (68.9%) of these people groups are considered unreached and have a population of 3.52 billion. This means approximately 64% of the individuals in the 10/40 Window live in an unreached people group. The 10/40 Window is home to the largest unreached people groups in the world such as the Yadav, Turks, Moroccan Arabs, Pashtun, Jat and Burmese.*
