Patio Update 11/5/2026

Church family,

Below is the current progress update in regard to our patio project. If you have any questions, please feel free to email me at maya.benishek@cwcmv.org.

The tables arrived! We have a group assembling, placing, and securing the tables this weekend! We'll be able to enjoy them starting this Sunday. The irrigation for the plants is almost complete (we just need the last two planters). The last two things on the list are painting the street light base and adding a small curb to the ramp. If you'd like to help with one of those two last things, please let me know.

We're in the home stretch! Everything should be done before Thanksgiving. What an exciting thing to be grateful for.

Thank you for your prayers and patience throughout this process.

God bless,

Maya Benisek
