Because of God's Great Mercy

a stewardship program for our congregation

November 17, 2026

Dear St Mark's,

Over the past week, some members and friends of St Mark's Lutheran Church have increased their giving by 1% of their household income. On November 8th, Commitment Sunday, St Mark's received 20 Commitment Cards. Thank you very much! Our focus this year is on increasing both the General Fund commitment and the Building Fund commitment. Also, some have signed up for our automated electronic giving program who haven't used it before. Since it is so important that everyone in our congregation participates, we are writing to encourage your response to this year's stewardship emphasis if you haven't yet turned in your commitment.

If you currently give electronically through Breeze/Tithe.ly, use the Commitment Card to indicate your increase in giving, then use the Breeze/Tithe.ly tool to update you giving. Please contact the Financial Secretary if you need assistance doing this.

If you don't currently give electronically,

1. Go to **https://stmarks.breezechms.com/give/online** to begin giving electronically, or
2. Simply begin giving at your new level.

Because of you, St Mark's Lutheran Church is doing so much. When all of us take this opportunity to increase our financial support of the congregation's ministry, we will be able to do even more.

Thank you.

Blessings to you,
