Patio Project Update 11/19/26

Church family,

Below is the current progress update for the patio project. If you have any questions, please email me at maya.benishek@cwcmv.org.

Since we are so close to finishing the patio project, we wanted to dedicate the patio to the Lord and celebrate everything that the Lord brought together to finish the patio. On November 29th, we will pray over the patio at the end of the service and then celebrate with a special treat out on the patio after the service. I hope you can join us as we praise God for the completion of this project.

This update is a summary of what we've done, the money we've spent, and the final steps to close out the project. I hope you enjoy seeing how it's all come together!

Vision: We wanted to create an inviting space outside the café where relationships could be built and where discipleship could happen. We wanted an area that would require minimal maintenance and would be able to be left out during the week so that we would not overburden volunteers.

What We've Accomplished:

- Removed concrete in front of the patio and poured stamped, stained concrete.
- Installed a railing around the ramp into the café. (Thank you, Greg Davis!)
- Installed parking stops. (Thank you, Rick Wolf, Richard Dahlquist, and Rick Streeter!)
- Installed planters. (Thank you, Richard Dahlquist, Preston Tant, Phil Laure, Gary Davenport, Mark Rowden, John Nyguen, Jeremiah Willadsen, and Peter Bither!)
- Filled the planters with rock, soil, and mulch. (Thank you, Trenton Benishek and Oscar Reyes!)
- Primed and painted the railing. (Thank you, Anthony Marroquin!)
- Chose and planted the plants. (Thank you, Martha Ulmer!)
- Installed irrigation in the planters. (Thank you, Enrique, our landscaper!)
- Assembled, placed, and secured the tables to the concrete. (Thank you, Richard Dahlquist, Phil Laure, Gary Davenport, John Nyguen, and Peter Bither!)

What Is Left:

- Install umbrella bases.
- Paint light pole base (approx. cost is $100)
- Sell previous patio furniture.

Financial Summary (as of 11/18/26)**:**

Total Given	$62,750.92
Income (from selling concrete tables)	$800.00
Total Spent (as of 11/18/26)	$61,808.47
Total Remaining (as of 11/18/26)	$1,742.25

Spending Summary (as of 11/18/26)

Item	**Cost**
Missions	$6,225.87
Patio Furniture (Vision Casting)	$805.97
Ingathering Poster (Vision Casting)	$33.93
City Application	$15.00
Drawings	$6,640.00
Concrete	$17,000.00
Planters	$12,451.37
Plants	Donated
Irrigation	$550.00
Parking Stops	$594.14
Umbrellas and Bases	$1,634.33
Tables and mounting materials	$15,634.33
Railing	Donated
Railing Paint	$19.32
Light Pole Paint	TBD
Food for Volunteers	$193.63
TOTAL SPENT (not including Light Pole Paint)	**$61,808.47**

Lastly, we are no longer in need of the patio furniture we used temporarily to cast vison and to use while we waited for our new tables to ship. So, we are selling four patio sets. Each has one metal table and four plastic wicker chairs. They are in good condition, and we are asking for $150.00 for each set. If you are interested in purchasing a patio set, please let me know through email or by text.

Thank you for all your prayers!

Maya Benishek
