---Deuteronomy 32:46

- Vv. 3-4** 1. God should be praised simply because of His Greatness. He is the Rock, His works are perfect, His ways are just, He is faithful, does no wrong, upright, and just.
- Vv. 5-6** 2. When we end up doing that which displeases God, it's because we have moved away from Him, and not He us. In spite of God's greatness, justice, and faithfulness, in many cases His people will still turn away from Him.
- Vv. 10-14** 3. After the Exodus from Egypt, God guided, instructed, and preserved His people with the love of a mother eagle.
- V. 18** 4. After all that God had done for His people, how could they turn from him?
