

### **How will I find you?**

We are at the corner of Church and Main Streets in Millburn, across from the playground at Taylor Park.

### **Where should I park?**

We have a small parking lot, accessible from Main Street or Rector Street. There is free parking across Main Street and on both Church and Rector Streets.

### **Will I know where to enter?**

To join us for a church service, please use the red double doors with the arched windows at the bottom of the ramp. For the office and other events, please ring the bell at the double doors on the porch.

### **Is St. Stephen's accessible?**

The church proper and the fellowship hall are accessible via the ramp to the porch. There is an accessible restroom in the parish hall.

### **Are there restrooms? How about changing tables?**

The main restrooms are in the office/preschool wing, which is up three stairs from the foyer. One of these is accessible. There is a changing table in the accessible restroom in the parish hall.
