## Supply Lines: Vision Casters (Judges 4)

*Find your Vision Casters and unleash God's dreams for your life!*

*Warmup: In what area of your life are you most creative? How does vision from outside resources help spark creativity?*

### READ Judges 4:4-16

- What was Deborah's message to general Barak? What was Barak's response to Deborah?
- When Barak gave his stipulations of going to war with Sisera, how did the outcome of the vision change?
- What is God saying to you in these verses?

### REFLECT

- In this passage we see Barak's need for a vision caster. Why wasn't Deborah's message from God in verses 6-7 enough to build Barak's confidence?
- Accomplishing a God-sized vision requires encouragement, confidence and being on the path that God has chosen. What area of your life do you lack confidence? What area of your life needs a vision boost?
- How does what Jesus is teaching you in these verses line up with your life?

### RESPOND

- What is the importance of a vision caster being a follower of Jesus? Does God only give people vision for the parts of their life that relate to spiritual habits and church? Why or why not?
- Identify the areas of your life where you need the support of a wise vision caster. Step 1) Begin praying for a vision caster and ask someone to pray with you. 2) Identify 2 faith filled people and ask them to be your vision caster or help you find a vision caster. 3) Don't wait, begin giving God praise for the vision caster He will provide.
- How is the Spirit leading you to respond this week?
