Supply Lines: Encouraging Tail Kickers (Galatians 2:11-16)

Meet with your motivators!

Warmup: Talk about someone in your life who has prompted you to make a change.

READ Galatians 2

- What was the main issue Paul was addressing in these verses? Why did this issue need to be addressed and how did it tie into the overall mission given to Paul?
- How does Paul approach the subject with Peter? Was Paul acting alone or did he have support from others?
- What is God saying to you in these verses?

REFLECT

- How do you approach someone that needs correction or a change of direction? Describe some past successes and/or failures. Was there immediate success? What seemed to have worked the most effectively?
- What helps motivate you when you need a good tail-kicking? Describe an effective approach someone could use to motivate you.
- How does what Jesus is teaching you in these verses line up with your life?

RESPOND

- Where could you use some tail-kicking? Identify something that needs to change in your life or something new that you need to start doing?
- Pray for a “motivator,” someone you can trust to give it to you straight. Rather than putting a post or ad on Facebook, join a Serving Team, attend Life Group regularly, and ask someone to be your tail kicker.
- How is the Spirit leading you to respond this week?

“To transform religious and irreligious people into Fully Devoted Followers of Christ.”
