

HOW TO PRAY FOR ISRAEL'S CURRENT STATE OF CONFLICT

- Pray for the safety and supernatural protection and release of the Israeli hostages in Gaza.
- Pray for the families of the hostages who are distraught right now and feeling severe symptoms of hopelessness.
- Pray for our government leaders and military commanders to be led by the Spirit of God as they respond and as they seek to protect Israel.
- Pray for supernatural protection for the rest of Israel.
- Pray specifically for Barzilai Hospital in Ashkelon, as they have become the MASH unit for this war. They themselves have been hit by rocket fire.
- Pray that any remaining terrorists inside of Israel would be captured or neutralized.
- Pray for the eyes of the Jews to be opened to receive salvation.
- Pray for innocent Palestinians who are in harm's way.
- Pray for salvation for those who live in Gaza.
- Pray for wisdom and protection for the military and government leaders of Israel.
