## **Piecemaker's Quilt:** ***Winter's Forest***

The Piecemakers quilt this year, Winter's Forest, is one of our favorites. We began work, as usual, in January looking at books of quilt patterns, and found this one, which was love at first sight. In February we selected the fabric, cut it into 2,119 pieces to make the squares, and sewed the top together. We began quilting in March, working every Thursday, and finished in October, having consumed during those months, slightly over 300 cups of coffee and lots of Rochelle's cookies.

It is a lot of work, but we also have a lot of fun and fellowship along the way, and a huge sense of pride when we finish. We hope you love this quilt as much as we do!

### **Donation Info**

Donations to the Wishing Wall are tax-deductible. These donations will be reflected on your next contribution statement.

## Acknowledgments

The Festival Party Committee wishes to express its deepest appreciation to all of our members who donated their time, auction items, and sociables for this event and to everyone who contributed wine for tonight's wine pull. This event would not be a success without the help of volunteers who extended a helping hand with tasks big and small, along with the generosity of both donors and bidders.

Our special thanks go to Thrivent Financial for providing "seed money" of \$500 for Festival weekend and to Bill Caudell for his generous gift given to support the wine pull and to allay Festival expenses.
