## BIBLE READING PLAN 2024

Although the passages for the readings this year are quite short for each day, the hope is that you will thrill to see how the many prophecies promised in the Old Testament were beautifully and perfectly fulfilled in Christ Jesus. This can boost your confidence about God and His Word. It can also help us understand theology and enable us to better know, and thus share, God's word and the truth of it, with others. God bless you on this year's Bible journey!
