

Dear Praying Friends,

Happy New Year! Thank you for your faithful and heartfelt prayers and support for our ministries in Pakistan and Bangladesh. Because of your essential partnership, our heavenly Father continues to use our teams in many of the hard to reach and difficult areas of South Asia. 2023 was a year of great victory despite difficult and challenging circumstances. Our team worked hard to do evangelism in many of the places by knocking on doors in visitation evangelism and evangelistic/revival meetings. Our teams spent hours teaching the Word of God to new believers who received Christ. I rejoice to report that in 2023 our heavenly Father used us to plant 9 new churches in Pakistan and Bangladesh. Over 159 people made professions of saving faith in Jesus Christ and over a thousand Muslims, Hindus and Buddhists heard the gospel for the first time. We are excited about what God will do through us in 2024. Thank you for your burden to help us fulfill the calling of Christ.

Praise

For new ministry opportunities in Pakistan and Bangladesh. I am excited to see God's working in new unreached places in Pakistan and Bangladesh.

For God's provision for a motorcycle for Pastor Shamawon. A motorcycle will make ministry travel much easier and quicker for Pastor Shamawon as he travels to several hard to reach areas in Pakistan.

For God's provision for over 200 underprivileged children. Parents of these children work for Muslim landlords for a very small wage. These children were without shoes and warm clothes in this cold weather. We are thankful for God's provision for these children.

For a new ministry outreach led by Pastor Sadaqat in Dara Gazi Khan, Punjab. Pastor Sadaqat has been weekly sharing the Word of God with several families in Dara Gazi Khan. Two families have recently accepted Jesus Christ as their Lord and Savior. Please pray for God's continued work in their lives. Also, pray that God will work in the hearts of neighboring families.

Pray

For an evangelistic meeting in Sheikhpura led by Pastor Rizwan. Over 150 people are expected to attend this meeting. Please pray that many will come to the saving knowledge of Jesus Christ during this meeting.

For a Hindu man named Datta. I was able to witness to Datta during my doctor's visit. Datta was very interested in knowing more about Jesus. I am planning to meet with him regularly to share the Word of God. Please pray that he will open his heart to believe and accept Jesus.

For God's provision for the roof repair for Pastor Asher in Pakistan. Pastor Aher lives in a very old house. For over a year, his roof has been leaking every time it rains. It is in a very bad condition and can fall down anytime. He desperately needs a new roof at his house to provide his family a safe place to live. Please pray for God's provision for a new roof for his house.

Your prayers and sacrificial support are essential for proclaiming Christ to the poor, oppressed and persecuted in the "closed" places of South Asia. Supporting friends like you are making this possible. Thank you for your loving burden for our needed ministries in Pakistan and Bangladesh. God bless you.
