ESL Camp Pastor/Youth Pastor Recommendation Form

The purpose of this recommendation form is to gather information about the high school applicant's Christian life as you've experienced it. The camp they are applying to attend at Mountain Meadows is a ministry of Footsteps Missions. Footsteps has developed this ESL Camp as a vehicle to build relationships with Taiwanese teenagers to share the gospel of Jesus Christ. Patrick Bloom has directed this ESL USA camp for five years and is excited about the opportunity to use Mt. Meadows for one of the three weeks they will be in the United States. Our desire is to involve American teenagers to build lasting relationships through a week of living, playing, eating, praying, teaching and just "hanging out" at Mt. Meadows. We are looking for mature high school students who love the Lord and have been living a walk that honors God. This IS NOT an additional week of high school camp for students. Even though our desire is to give the Taiwanese students a "camp experience", American teens who attend will be ministering to our guests. Your recommendation is a valuable tool for us to make certain teens who come to serve are Christians that are already living a life of commitment and service to the Lord.
