

Mountain Meadows Bible Camp Dress Code

In order to assist both parents and campers, we hold these guidelines of what we feel is appropriate and inappropriate attire at Mountain Meadows Bible Camp. We ask that all staff, campers and counselors (male and female), please dress modestly at camp. This may look differently than we dress at home due to our environment and level of activity.

Our goal in establishing a dress code is to ensure that all of our campers and staff are comfortable and dressed modestly and safely for the activities at camp. As a reflection of Christ, we are striving to avoid any appearance of impropriety. It has proven a very difficult task to define a dress code in absolute terms without creating loopholes and ambiguous guidelines. One problem in particular is that a pair of shorts or top that is perfectly modest on one camper may be immodest on another due to varying body sizes and shapes.

Remember that at the end of the day, please err on the side of modesty; it is always a good choice while at camp!
