

Dear Praying Friends,

Thank you for your continued prayers and support for our ministries in Pakistan and Bangladesh. Because of your prayers and support, our Heavenly Father continues to use our efforts in the gospel for His glory in many of the difficult and hard to reach areas in these places. The Pakistani economy continues to worsen every day. Due to the bad economy, most people are not able to make ends meet. During this time of financial hardship and uncertainty in Pakistan, our team continues to share the gospel in the majority Muslim areas and in Hindu and Buddhist areas in Pakistan and Bangladesh. These dear people desperately need Jesus Christ.

Praise

For God's renewed strength in me after the heart attack. Our Heavenly Father continues to renew my strength to preach and teach His word. I am thankful for your prayers and support during the time of healing.

For God's working in the lives of several Muslims. We have been able to share the Word of God with several Muslim people interested and open to the truth. They are interested in coming to the church meetings and listening to the Word of God. Please pray for God's grace to convert the hearts of these non-believers as they listen to the gospel.
