PLEASE PRAY FOR OUR WRCC FAMILY AND FRIENDS

- Janelle Crandell (Karen Ostergren's daughter) they found out she did have melanoma. They are considering removing the tumor on her lung now. They are also going to use radiation on the remaining cancer in her spinal column where she already had surgery.
- Darrell Davis (father of Adam Davis) had his procedure and they were able to open one of the blood vessels in his heart with it. He's doing well.
- Bill Walser (brother-in-law of Jeannine Walser) had a pacemaker placement set up for Tuesday related to having had a fall.
- Jennifer Earley still has fluid in her ear possibly allergy related. She sees the specialist June 26th and has allergy testing July 9th. Her trigeminal neuralgia medication changes have been harder due to all of this.
- Aunt Mary Davis went home from the hospital on Monday. She had been dealing with rapid heart rate and A-fib.
- Keith Dresden (Lee's brother) has cancer in his neck surrounding his carotid artery which has caused increased chances for him to have a stroke.
- Carlee Olenczuk did well with tonsil surgery but had some issues with pain.
