PLEASE PRAY FOR OUR WRCC FAMILY AND FRIENDS

- Jessica (daughter of Ty and Debbie Woods) is a merchant marine and is traveling to Gaza on Saturday to bring back a humanitarian aid ship. Prayers for safe travel, protection and strength and for peace of mind for her family.
- Brian Winton has some kidney stones and would like prayers for his radiologist to give appropriate urgency to his care for the best treatment options.
- Phil Stewart (former elder at our church) is dealing with health issues and significant life decisions. Prayers for healing, guidance and support needed.
- Jeannine Walser had a successful procedure to restore blood flow to her digestive system and has been getting stronger. They were evaluating her for early signs of pneumonia last weekend.
- Adam Davis was diagnosed with subclinical hyperthyroidism. He gets further testing and prayers are requested for clarity in diagnosis and effective treatment. Possible reasons include Graves disease and toxic nodule in his thyroid. His Doctor assures him the condition is easily treated and managed.

Praise

- Dick Strayer had a successful procedure to install a watchman in his heart to filter out potential blood clots.

Monthly Memory Verse:

“Submit yourselves therefore to God. Resist the devil, and he will flee from you. Draw near to God, and he will draw near to you. Cleanse your hands, you sinners, and purify your hearts, you double-minded”. James 4:7-8
