## PLEASE PRAY FOR OUR WRCC FAMILY AND FRIENDS

- Sue Wells came home from the hospital Tuesday after dealing with a very high pulse. Her tests on her heart were all good and they don't know why she had the cardiac tachycardia. She is on a new medication for it.
- J.B. Shelburne (Heather Davis' father) He was dealing with dizziness last week which they found out was from dehydration and not from his heart.

## Praise

- Emily (Great/Grand Niece of Sue Jaks's) is the infant who had surgery for her inability to move food from her stomach to her intestines. She came through the surgery well and is doing very good. She can eat and process food now.
