VBS in Yucatán

Dear Friends,

During the last week of July, a team of 16 people from Victory Chapel Baptist Church in South Carolina and Iglesia Bautista de Chattanooga traveled with me to Valladolid, Yucatán, to assist six churches in their week of Bible studies for children.

Our group, along with teams of young people and adults from the six churches in Yucatán was approximately 120 people. They worked diligently in teaching a multitude of children the Word of God.

I was blessed to see how the Yucatecan churches and believers carried out their duties in teaching the Scriptures to children and engaging them in age-appropriate activities that they enjoyed. The enthusiasm and dedication of the VBS workers were exemplary.

The following pictures will tell the story of the VBS campaigns in these churches.

Thank you for praying and giving so that these ministries can be carried out.

Sincerely,

Roy and Edi Seals
