

Hey friends! Here's a look at what we're covering this month so you can continue growing at home during the week.

THIS QUARTER'S DISCIPLESHIP EMPHASIS

Spend Time With Others: This spiritual habit is about growing in godly relationships with others. We can do this within our churches through small groups and mentoring relationships. But we can also do this by developing healthy relationships with others in our families, schools and communities. Through godly relationships, our faith can grow!
