Responsibilities: The Newington Baptist Church, Board of Directors, is responsible for implementation and review of all transportation policies and procedures for the use of POV for church transportation.

Trip Authorization:

All church trips/activities requiring the use of POV drivers will submit in writing a trip request form prior to the trip for trip approval by the Pastor (**See Attachment Number One**).

Authorized Drivers Requirements:

All POV drivers must be members of Newington Baptist Church and must be at least 21 years of age. All drivers understand that Newington Baptist Church does not furnish any insurance for the protection of its volunteer drivers for any claim or suit that may be made against its volunteer drivers arising out of the operation of a personally owned vehicle; nor is any insurance provided by Newington Baptist Church to repair damage that may occur to a personally owned vehicle. All drivers will acknowledge that they understand that as a volunteer driver, their personal auto insurance will be the policy responsible for any accidents or incidents that involve its vehicle, including those that occur while they are serving as a volunteer driver for Newington Baptist Church.

Use of POV's for church trips can be reimbursed if requested by the driver at the current GSA mileage reimbursement rate for actual miles driven which is designed to cover gas, oil, and fixed costs such as insurance and depreciation or by original receipt for fuel purchased (if mileage is not claimed. Tolls and parking fees can be reimbursed also. Reimbursement monies will be used from the church's Transportation account.

All drivers will comply with all laws and regulations concerning driving, including laws pertaining to the use of seat belts, child safety seats, cell phone use, maintaining proper distance between vehicles, and speed limits. All drivers will refrain from using their cell phone while driving, even with a hands-free device.

All drivers will promptly notify Newington Baptist Church trip representatives of any physical conditions, vehicle defects, or road conditions that might affect the safety or the safety of the passengers.

All drivers must provide evidence of their status as a licensed driver in the state of Virginia and agree to provide proof of their Virginia Driving Record to Newington Baptist Church Transportation team NLT January 31 of each year or upon request. All Newington Baptist Church (NBC) staff, volunteers, and members who drive a leased passenger van must abide by the following safety rules:

The driver of the vehicle is required to inspect the vehicle (before taking it on the road) to ensure that it is in safe working condition. This includes properly working brakes, horns, and back-up alarms. Note an example of Vehicle Inspection Report (**See Attachment Number Three**). Any defects in the vehicle should be reported promptly to the rental company.

All drivers are required to obey all state, local, and NBC transportation policy and procedures. Seat belts and shoulder harnesses are to be always worn. All passenger van drivers should require, without exception, that each passenger within the van wear the seat and shoulder belt supplied with the vehicle prior to trip departure. All drivers of vans should require passengers to fill each row of seats beginning in the front of the vehicle prior to sitting in the rows towards the middle or rear of the vehicle. This should help decrease the probability of van rollover accidents.

Rental vans must be parked in legal spaces and must not obstruct traffic and must be locked when unattended to avoid criminal misconduct. Engines are to be stopped and ignition keys removed when parking, refueling.

Articles and luggage, etc. placed in a van are to be placed and secured in such a manner as not to impair vision or in any way interfere with proper operation of the vehicle. When the driver cannot see behind your van, the driver should walk behind the van prior to backing.

If involved in an accident, all drivers agree to complete all accident reports and to cooperate with the police and Newington Baptist Church insurance company.

Newington Baptist Church has Hired and Non-Owned Auto Liability on its church insurance policy. This policy will provide coverage for liability, comprehensive, and collision for rental vehicles (from a rental company) when there is a written contract or agreement in the name of the insured, our insured is providing drivers (does not include hired drivers), and the rental period is under 30 days. If NBC is renting a vehicle from a rental company and would like to utilize this coverage, the church insurance company would require the following information from the church to provide a rental auto certificate for the company the church is renting the vehicle from. This request needs to be on Newington Baptist Church letterhead. **See Attachment Number Five** for the required form/information needed to complete the certificate from the church insurance company.

All drivers agree to indemnify Newington Baptist Church against all claims, losses, damages, and expenses, including legal fees, which Newington Baptist Church may incur because of the use of the rental vehicle on behalf of Newington Baptist Church.

All van passengers will sign a passenger agreement before being allowed to ride in the van on trips **(See Attachment Number Four)**
