PLEASE PRAY FOR OUR WRCC FAMILY AND FRIENDS

- Pam Cramer went to the ER on Thursday and would like prayers that any tests she receives will help determine what she's had going on lately and how they can treat it.
- Jason Belich (Gary and Lena's son) is having employment problems and prayers of reassurance for him are requested.
- Connie has been dealing with Covid.
- Maddy Kurschat will be starting Physical Therapy on January 22nd for her head and neck region pain she has had for some time now. Also, her infusion port won't be put in until late January or early February.
- Kim Chilton (Jim and Mary's daughter) has been dealing with a broken ankle and it has been healing very slowly. She will be reevaluated on January 21st.

Praise

- Sara Callison (cousin of Sue Wells and Aunt Mary's granddaughter) Her cancer surgery went well and she's now back to work. Sue thanks everyone for the prayers and would like prayers for ongoing follow up tests to go well.

Ministry Spotlight

The Helping Hands Ministry was busy in 2024. They had 13 projects some of which required multiple days. Their projects included working on flooring, changing batteries, setting the timers for lights in the Church parking lot, digging a trench, moving furniture, giving members rides to services and to physical therapy, moving a piano, stripping and waxing floors in the Church building, raking leaves and the Mobile Food Pantry. If you'd like to get involved with Helping Hands or have a project you need their help with you can contact Ann Joseph.

*Thank You Helping Hands
for your Servant Hearts!*
